

Crown Gas & Power Deemed Contract Rates

Supply of Natural Gas

The price that the customer on a deemed contract will pay is based on our current deemed contract policy and procedure. The deemed price will generally be revised on the 1st April and the 1st October each year.

The current deemed contract billing rate includes a daily standing charge to cover all third party transmission, distribution and metering costs.

A daily administration charge to cover additional expense and risks associated with supplying customers on deemed contract terms.

A unit rate applied in pence/kWh to each actual or estimated unit supplied.
