We will invoice you for the price and you will pay the invoice within the following periods:

(a) in respect of amounts relating to the charges (and any VAT payable), we will provide a pro forma invoice to you (including the VAT element) and you will pay us at the same time as the agreement is entered into by you. Following your payment of the charges plus the VAT, we will provide a separate VAT invoice to you; and

(b) in respect of any other amount that we have the right to require you to pay, immediately following receipt of our invoice. Please note that we will suspend provision of the site-works until we have received payment in full for any amounts due.

6.3 We will not be under any obligation to engage any subcontractors or progress any work in relation to the site-works until we have received full payment for the charges (including any VAT payable in relation to the charges).

6.4 You will be responsible for the payment of all taxes, levies, duties, imposts and other fiscal charges which become due on the price for which we become responsible under the agreement and will reimburse us for any interest, penalties, liabilities and expenses (including reasonable legal expenses) incurred by us as a result of your delay in paying them.

6.5 We may use any money you pay to us or any money we owe you to pay off what you owe under this agreement.

6.6 We may invoice you for extra items that are not included in the charges and you must pay for such amounts in accordance with clause 6.2(b). These are:

(a) our reasonable costs if you breach any terms of the agreement, including our reasonable costs when we try to get back money you owe to us (when you do not have a genuine reason to disagree when you owe us money) and any administration costs for dealing with the site-works;

(b) any amounts that we are required to pay to our subcontractors in relation to the provision of site-works;

(c) our reasonable costs if you fail to keep an agreed appointment with us or our agent or subcontractor;

(d) any amounts we incur as a result of your failure to meet deadlines notified by us (including any abortive costs relating to your failure to give at least 48 hours prior notice of cancellation of a previously agreed installation) or failure to comply with a reasonable instruction we give to you;

(e) if you decide to make payment for site-works by credit card, an amount that is equal to 3% of the price to cover the banking costs we incur; and

- (c) the likely effect of the change on the site-works; and
- (d) any other impact of the change on this agreement.

7.3 3 If you wish us to proceed with the change, we have no obligation to do so unless and until we have agreed in writing (which may include by email) the necessary changes to our charges, the site-works and any other relevant terms of this agreement. In the event that we are unable to agree the said changes we shall be under no obligation to provide the site-works and you will be liable to pay us for the work we have carried out to date (such sum to be determined by us acting reasonably) together with all other sums payable under the terms of this agreement.

7.4 Notwithstanding clauses 7.1 to 7.3, we may from time to time and without notice, change the site-works in order to comply with any applicable safety or statutory requirements, provided that such changes do not materially affect the nature, scope of, or charges for the site-works.

7.5 We will have the right to adjust the charges where there is a delay to the performance of the site-works caused by delays in mobilisation, or the date for completion of the site-works being delayed, as a result of your failure to comply with your obligations under this agreement.

7.6 6 If the site-works continue beyond twelve (12) months from the date of the quotation document, on each date that is the twelve month anniversary of the date of the quotation document, we may increase the charges in line with any increase to the retail prices index.
